COZY HOME

Parts of an Evergreen Tree

Write the right word next to each number.

Word bank branch cone needles trunk

1 _____ 2 _____

3 _____ 4 _____

Did you know?

- Evergreen needles are small and compact, which helps them lose less water in cold, dry, windy weather.
- Needles help keep snow from piling up and breaking branches, and the branches can bend under snow instead of snapping.
- Evergreens do lose needles. Older inner needles turn yellow and fall while newer ones stay green.
