North and South

Top row: the Arctic, up north. Bottom row: Antarctica, down south.

Arctic

Top of the world

Polar bears live in the Arctic, around the top of the world.

Moms only

Den time

Only mother polar bears that are expecting cubs spend the winter in dens.

Antarctica

Bottom of the world

Emperor penguins live in Antarctica, so they never meet polar bears in the wild.

18 kinds

Biggest penguin

The emperor penguin is the largest of the 18 kinds of penguins.
